2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized by Order and Decree of the District Court of Douglas County, Colorado on November 18, 2004, to provide financing for design, acquisition, construction and installation, relocation and redevelopment of essential public-purpose facilities such as water, streets, traffic and safety controls, parks, open space and recreation, sewer and drainage facilities, public transportation, and the operation and maintenance of the District. The District's service area is located entirely within the boundaries of the Town of Parker, Douglas County, Colorado.

At its organization election held on November 2, 2004, the voters approved general obligation indebtedness of \$37,560,000 for street improvements, \$37,560,000 for traffic safety, \$59,280,000 for parks and recreational facilities, \$14,280,000 for sanitary sewer system, \$8,880,000 for a complete potable and non-potable water system, \$130,000,000 for refunding District debt and \$10,000,000 for general operation and maintenance. District voters approved authorization to increase property tax up to \$1,000,000 annually to pay for the operations and maintenance expenditures of the District. Per the District's Service Plan, the Districts are limited to \$213,500,000, in the aggregate. Additionally, the election allows the District to collect, spend and retain all revenues, other than ad valorem taxes, without regard to the limitations contained in Article X, Section 20 of the Colorado constitution.

The District has no employees and all administrative function are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.

Transfers to Cherry Creek South Metropolitan District No. 4

Pursuant to the Infrastructure Acquisition and Project Fund Disbursement Agreement between the District, Cherry Creek South Metropolitan District No. 4 (“District No. 4”) and Cherry Creek South Metropolitan District No. 6 (“District No. 6”), the Districts have agreed that District No. 4 will own, operate and maintain all public improvements benefitting all Districts. Debts and Leases

On November 23, 2021, the District issued Limited Tax General Obligation Bonds, Series 2021⁽³⁾ in the par amount of \$68,549,000 (“the Bonds”). Proceeds from the sale of the Bonds will be used to finance or reimburse the costs of public improvements related to a residential development in the Town and to pay costs of issuance of the Bonds.

The Bonds bear interest at the rate of 6.000% per annum and are payable annually on December 1, beginning on December 1, 2022, but only to the extent of available Pledged Revenue. The Bonds mature on December 1, 2051 and are subject to mandatory redemption to the extent of available Pledged Revenue.

The Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the maturity date. Unpaid interest on the Bonds compounds annually on each December 1. In the event any amounts due and owing on the Bonds remain outstanding on December 1, 2061 after the application of all Pledged Revenue available therefor, such amounts shall be extinguished and no longer due and outstanding.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized by Order and Decree of the District Court of Douglas County, Colorado on November 18, 2004, to provide financing for design, acquisition, construction and installation, relocation and redevelopment of essential public-purpose facilities such as water, streets, traffic and safety controls, parks, open space and recreation, sewer and drainage facilities, public transportation, and the operation and maintenance of the District. The District's service area is located entirely within the boundaries of the Town of Parker, Douglas County, Colorado.

At its organization election held on November 2, 2004, the voters approved general obligation indebtedness of \$37,560,000 for street improvements, \$37,560,000 for traffic safety, \$59,280,000 for parks and recreational facilities, \$14,280,000 for sanitary sewer system, \$8,880,000 for a complete potable and non-potable water system, \$130,000,000 for refunding District debt and \$10,000,000 for general operation and maintenance. District voters approved authorization to impose ad valorem taxes of up to \$1,000,000 annually to pay for the operations and maintenance expenditures of the District. Per the District's Service Plan, the Districts are limited to issuing a total of \$213,500,000, in the aggregate. Additionally, the election allows the District to collect, spend and retain all revenues, other than ad valorem taxes, without regard to the limitations contained in Article X, Section 20 of the Colorado constitution.

The District has no employees and all administrative function are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9.0% of the property taxes collected.

Expenditures

Transfers to Town of Parker

On May 18, 2020, the District entered into an intergovernmental agreement with the Town of Parker to impose a property tax mill levy of 5.000 mills, as adjusted, for the planning, design, construction and/or maintenance of the Town infrastructure. The District is required to remit the revenues to the Town of Parker.

Transfer to Cherry Creek South Metropolitan District 5

Pursuant to the Capital Pledge Agreement dated November 1, 2021, the District agreed to impose ad valorem property taxes and transfer such tax revenues, net of fees, to Cherry Creek South Metropolitan District No. 5 to provide for the payment of the bond issuance.

County Treasurer's Fees

County Treasurer's collection fees have been computed at 1.5% of property taxes.

Debts and Leases

The District has no outstanding debt or any operating or capital leases.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact CliftonLarsonAllen LLP:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from CliftonLarsonAllen LLP

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to BusinessTechnology@CLAconnect.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to BusinessTechnology@CLAconnect.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.
